Cedar Valley Iris and Daylily Society

Volume 1, Issue 9

From the President

We had a great day August 24th in Monticello. The plant sale, plant return, plant auction, silent auction, noon potluck and meeting were well attended. Welcome to all new members that were able to attend. The August meeting day is one long and busy day. Many thanks to all that were helping throughout the day. The committees did an excellent job and please thank them for their work. There was much work done ahead of time by Diane Derganz and we appreciate her time and talents to make the club plant return successful.

2020 Regional Chair Keith Riewerts invites all members to come at 11 AM on October 12 before our meeting for more 2020 Region One Meeting planning.

Thank you CVIDS Members.

Nancy Rash, President

- 4) Darrin & Shelley Lett, West Branch

July 12th Garden Judges Training & Open Gardens

Notice:

We need to know how many CVIDS members are interested in hosting an Open Garden as part of the Region One Meeting. Your options are to be open only Friday, July 10 or only Sunday, July 12 or open both days. Please specify the hours you will be open on each day. Remember there is a Friday night Banquet and Sunday morning Garden Judges Training. The list of Open Gardens will be given to all who register for the Region One Meeting. Participants may choose to visit all or some of the Open Gardens. **Please give your written commitment or email to Keith Riewerts (rkrkrkr@netins.net) on or before October 12 at the CVIDS meeting.** Typically the Open Garden hours are between 9 AM and 4 PM.

Daylilies Needed from CVIDS Members

2020 Regional Chair Keith and Plant Chair Pete Connolly have requested daylilies from your garden in 2020 to be used in the following ways:

***Silent Auction Plants**: 2005 or newer plants that are distinctive in your garden. We will need about 20 total from the club (Double Fan). Pete will ask members to submit the names of the plants they could bring. Deadline will be May 1.

***Plant Sale Plants**: 1990 or newer plants, about 10 to 15 from each member for purchase by participants at the Region One meeting.

Betty Miller Photo Contest.

Special Award Presentation

9TH ANNUAL HYBRIDIZERS' ROUND UP: OCTOBER 12, 2019

We will meet at the Cedar County Extension Office, Tipton, for the 9th Annual Hybridizers' Round Up. **Contact Jonathan if you have questions and if you want to be part of the program.** This is the time for members to share how their hybridizing program is progressing. We will have a CVIDS Club meeting and will begin the sign up for the Fall Banquet.

(Continued from Page 1...Regional Update)

Door Prizes will also be needed for the Region One meeting next July. We are looking for quality items that other garden enthusiasts would be happy to receive. Now is the time to look at Garden Centers for sale items like: garden tools, garden gloves, bird houses, pruners, etc.

KINCAID Plant Markers:

I have been asked to share the Kincaid Code for ordering.

All CVIDS members can order the Kincaid Plant Markers and receive the discount by using the code: DAY-CVIDS. Here's all the contact information: Kincaid Gardens Inc

11000 County Road 366 Savannah MO 64485

816-324-4931 info1@kincaidgardens.com

https://www.kincaidplantmarkers.com/

Find a friend and place your order together and get a larger discount. The markers given to you with your club plant are 17" stainless steel, #10 Gauge Wire Diameter Posts, P-Style Design. The markers are HEAVY. Nancy Carlisle has transported hundreds of pounds of markers. Place your order and have them shipped directly to your home. The discount is based on the number ordered. Email the company or call directly for more information.

Alternatively...

Club members Sam and Mary McCord generously bring Biomarkers to club meetings as door prizes. Please contact Sam if you would like to order from him. Visit <u>https:// www.mcgbiomarkers.com/photos.php</u>. to learn more about the options available.

Unidentified vehicle

This unidentified vehicle with no permanent license plate was parked at the Monticello ISU Extension Office for the CVIDS meeting on August 24, 2019. It may be the new **"CVIDS PARTY BUS"**, although it was rumored at the meeting that it may possibly belong to the affable, charismatic couple known as Keith & Sally. Full disclosure of the ownership and the purpose of the potential CVIDS Party Bus will be revealed at the next CVIDS meeting. STAY TUNED !

CVIDS Plant Sale August 24, 2019 Monticello

Left: Shelley approaches Directors of Accountability, Diane and Sarah <u>Right:</u> Jo Lynn, Kathy, & Jo collect sales \$ from plants in the pavilion

Plant Sales take place with good humor in the open Pavilion near the Monticello ISU Extension Office

Left: It takes 2 Keith & Shelley collaborate on sales
