**Minutes were approved** from the February meeting with the following correction. A sympathy card had been sent to Mr. Don Erling for the loss of his wife.

**Treasurer's Report:** Treasurer Bob Moore reported that the balance on hand is \$6,867.02. Virtually all of the ordered plants have been paid for. New members have been joining our group. A list of members owing membership dues was read. All persons present at the meeting are currently paid members. Bob and Cathy invited all to the April 10<sup>th</sup> meeting featuring Lora Rock, a local artist whose paintings are on display at the Morning Sun Community Center. He also requested when reservations are made for the Garden Tour luncheon that the location takes a check.

**Pollen Dobbers Meeting:** This will be held in Marshalltown on March 21. Paul Owen and Richard Norris will be the speakers. Show off of the hybridizers' slides will begin in the morning. Speakers will bring plants for the auction. Fliers are available, and registration can occur at the door.

The club **Garden Tour for daylilies** will be held on July 10<sup>th</sup>. Thanks to the members Kay and Ken Hill, Jonathan Poulton, Barry and Lynn Stoll, and Joyce and Steve Parsons for opening their gardens for our tour.
