Planning Meeting #2  
April 8, 2017**

Called to order at 11 a.m.

**Location and Dates:** All were in favor of Kirkwood Community College. Jackie Westhoff has emailed Jean Rogers, Director of Sales for the Hotel at Kirkwood and Kirkwood Community College (KCC), requesting reservation of their facilities for the 2020 AHS Region One Regional, to be hosted by CVIDS. Both the second and third weekends are currently available. The Committee voted to hold the event on the second weekend in July, 2020, due to the recent warm winters and earlier peak blooms in many gardens. Subsequently, a contract has been offered for Friday, July 10, 2020 to Sunday, July 12, 2020. **Approval deadline for the contract is May 15 in order to confirm this agreement.**

The general theme of **2020 – Perfect Vision in Region One** for the Regional was approved unanimously. Subsequent work will be done to develop advertising and promotional materials to complement this theme. For example, **CVIDS; 2020 Vision for Daylily Perfection**

It was decided to focus our daylily garden visits to evaluate possible “Display Gardens” for the Regional after the July 8 tour and to form possible teams to accomplish this. Considerations include

- Number and types of daylilies
- Accessibility
- Landscape/Layout
- Garden art
- Companion plants

We then offered possibilities for committee chairs and co-chairs, based on previous experience and enthusiastic possibilities...
