REMINDER: CVIDS ANNUAL FALL PLANT SALE & POTLUCK

Don't forget that our annual plant sale and potluck will be held Saturday, Aug. 26 from 11 AM to 3 PM at Riverside Gardens, Monticello. This is our only fund-raising event. We hope all members will be able to contribute plants, help with digging and labeling, and/or help out at the sale itself. Please label all plants with name, color, and price, at a minimum. Choice items might also include year of introduction and list price. **Please bring your labeled iris, daylilies, and companion plants to the park at 9 AM so we can have everything nicely laid out on the tables by 11 AM.** Club plants from the mail auction will be distributed to the winning bidders before the public sale starts at 11. There will also be some club plants available which were not bid on in the auction; these will be priced at the "minimum suggested bid" in the auction, which is approximately half of the average price listed in the current edition of Eureka Hemerocallis. We will have our potluck after the initial rush (*we hope!*) of public sales subsidies; last year this happened about 1:30.

Please price your plants; the members working at the sale may not be familiar with the varieties and may not know what they are worth. Iris and daylilies will be sold as bare-root plants and should be clearly marked with name and color. Older named varieties will be priced at \$3-\$5; "unknown yellow daylily" or "red seedling" for \$2. Newer varieties should be marked with hybridizer and year of introduction, if known, and priced appropriately. Companion plants should be potted, if possible, and labeled. These will ordinarily be priced at \$2-\$5.

If possible, try to bring some pictures of the daylilies you are contributing. Last year many people asked us, "What does this one look like?" It's really helpful to have some pictures so we can *show* them, not just *tell* them. Posters with colored pictures of daylilies and iris would be especially helpful. Just having the color pictures there at a time when most people's gardens are in the late-summer doldrums can generate interest and increased sales.

Volunteers are needed to help out at the sale. If you have plants to contribute but can't bring them to the sale yourself, please contact the Stolls (946-3471) to arrange for someone to pick them up. The Stolls would also appreciate volunteers to help with labeling and digging of iris and daylilies on Aug. 23-25. They have a great many plants they would be happy to contribute to the sale; however, the plants need to be dug, divided, and labeled in the days just before the sale so they will be nice and fresh for Saturday, and Lynn and Barry can only do part of this project themselves in 2-3 days.

Don't forget: we need lots of publicity to make the sale a success! Last year we had many more plants than buyers. This year we plan to have more ads in local area newspapers, shoppers, etc. Also, word-of-mouth advertising is important. Do your part: tell your friends and neighbors!
