Spring CVIDS Update

By Jean Hecht & Kim Edge

Our club has certainly been busy this spring! The spring sale in Vander Veer Park in Davenport on Sunday, May 4th, brought in \$594. Our table was moved to inside of the conservatory due to rain that day. Thanks to everyone who attended and donated plants!

The club plant distribution and live auction was held at Jean Hecht's house at 9 a.m. on Saturday, May 31st. The club provided breakfast. The auction brought in \$975 in plant sales. Thanks for hosting this event, Jean. Results of the plant disbursement are on page 2.

Our treasurer, Gerald Hobbs and Ken and Susie Messer have been especially busy organizing the Region One 2003 Summer Regional and Garden Tour which will be held on July 11-12 in Fort Madison, Iowa. This event will feature the gardens of four of our members, Gerald and Elenora Hobbs, Deborah Wharton, Ken and Susie Messer, and Francis and Kay Ater. Ted Petit will be the

guest speaker. If you have not registered for this event, there is still time! Registration information is available online at <http://www.northerndaylily.com> (click on "Events") or contact registrar Ken Messer at (319) 524-1976 or ksmesfam@mchsi.com. The cost of registration is \$75 for adults and \$55 for youth. Thanks to everyone who is working so hard to plan this event!

Welcome to new members Janie Hammes and Darlene Flynn, both of Keota, Iowa!

Fall Elections Are Coming Up!

Betty would like to remind the members that we need nominees for three positions: that of president, vice-president and secretary. If anyone would like to serve their club for a two-year term, contact Betty at (319) 695-3447.

2003 CVIDS Plants for 2005 Member Auction

The following plants were given on to these members to be grown for two years. At the end of that time they may keep the original number of fans given to them. They return the increase to the club to be auctioned off among the members. If you want to see these plants in bloom, contact these folks about visiting them in their gardens!

July 1, 2003

Hello CVIDS members,

Here it is the start of bloom season and time to decide which plants you want to bid on for the fall auction.

As in the past, the minimum bid listed is about half the Eureka average price. If the plant wasn't listed in Eureka, I made up the bid. Actually, this year that was only one plant. This year for the first time, some plants will be sold as single fans. Please note on these plants whether you are bidding for a single or double fan. Here are the rules:

1. Make your bids in uneven dollar amounts.
2. Send your bids to Jean Hecht, 105 N. Dubuque St., North Liberty IA 52317 by August 10. You can also e-mail bids to me at jhecht@mchsi.com if that's easier. Don't send payment at this time.
3. I will notify winners before the Monticello sale as to which cultivars they won.
4. The plants will be delivered to the sale in Monticello on August 23 and distributed at that time. If you can't attend the sale, plants will be shipped as needed for an additional charge.
5. If you're 'babysitting' a plant it is YOUR responsibility to get that plant to Monticello. All plants available for auction need to be at the sale.
6. In case of ties, the earliest postmark wins.
7. If you haven't already please let me know how many fans of your plants that you will have available for auction. I'm very pleased to say that I do have this information on most of the cultivars. It will make figuring out winning bids ever so much easier.

I included who was growing the plants in the list so you guys can go and visit those gardens if there is a plant that you want to see. I'm reading reports of late bloom seasons from lots of areas of the country. I don't think this garden is more than a few days behind. Although I'm not a display garden, all of you are more than welcome to come and visit any time.

My own bids will be made before this list is mailed out and given to Kim for safe keeping.

Have a great bloom season.

Jean Hecht

Our Annual CVIDS Fall Plant Sale and Potluck in Monticello, Iowa Is Coming up!

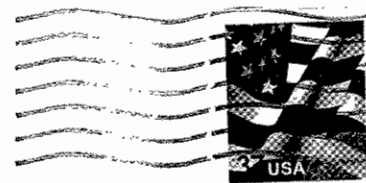

Our fall sale will be held on *Saturday, August 23rd (mark your calendar!)* from 10 a.m. to 1 p.m. at the gazebo in Riverside Park in Monticello, Iowa. Set-up starts at 9 a.m., with the potluck and dispersal of silent auction plants immediately following the sale. Any silent auction club plants that were not bid on will be auctioned off live then. We hold the potluck around one as that is when the rush of public sales usually subsides. So please bring something good to eat!

Please label all plants with name, color and price, at a minimum. Height and flower size, and time of flowering is also nice to know. Choice items might also include hybridizer's name and year of introduction. Iris and daylilies will be sold as bare-root plants. Please wash the roots well and trim back foliage. We recommend that named varieties be priced from \$5 up; unknown varieties and seedlings for less. Companion plants should be potted if possible, labeled and priced. **Please bring your labeled iris, daylilies and companion plants to the park by 9 a.m. so we can have everything nicely laid out by 10 a.m.** The sale lasts until 1 p.m.

Please price your plants; the members working at the sale may not be familiar with your varieties and may not know what they are worth. If you need some labels, CVIDS has purchased some rolls of them for club use. Give Gerald a call about acquiring some at (319) 372-4178. If possible, try to bring some pictures of the daylilies or iris you are contributing. Customers always ask, "What does this one look like?" It's really helpful to have some pictures so we can *show* them, not just *tell* them. Posters with colored pictures of daylilies and iris would be especially helpful. Bringing along blooms is also good for sales—and for everyone's pleasure. We hope all members will be able to contribute plants, help each other with digging and labeling, and/or help out at the sale itself. We want to have a good variety of clean, fresh, healthy plants for sale! Don't forget to tell your friends and neighbors about this sale. Let's make this our most successful fall sale ever!

Directions to Riverside Park: The park is located on Highway 151 in Monticello, across from the Blue Chip Motel and Restaurant. You can park in the lot in the park or along the roadside in it.
