Bob Moore gave an interesting report on the Pollen Dabbers meeting in Marshalltown. He commented that Dan Bachman was a very entertaining speaker who has the following seven Rules of Hybridizing:

- 1) Never cross with same breeder.
- 2) No yellow on yellow in spider hybridizing program
- 3) Don't load seedlings with pods.
- 4) Never cross old with old.
- 5) Never cross southern with southern.
- 6) Use your own seedlings whenever possible.
- 7) Rules are made to be broken.

Old Business

Jan asked for a volunteer to chair the memorial to honor Betty Miller. The memorial committee chairman will organize and establish criteria for selecting the award winner each year. Kim volunteered, and anyone willing to serve on the committee and assist with the judging should contact her.

Jan reported that she had contacted Don Lovell and Kathy Lamb regarding chartering a bus to the National Convention in St. Louis in July. The idea did not materialize.

Jean noted that anyone attending the Regional may want to go a day early and tour Lindy Farms on Thursday.

New Business

We discussed our summer garden tour briefly. Tentative host gardens are Dawsons, Williams, Stolls, and possibly Appelquists. The date selected for the tour is July 17th.

It was announced that Margaret McDowell had passed away. The club will send a memorial.

Welcome to new member Amanda Miller, who joined at our April meeting!

We were inside the conservatory and were warm, comfortable, and surrounded by beautiful flowers. Thanks to all members who donated plants and worked at the sale.

CLUB PLANT DISTRIBUTION

Sylvia has compiled a complete list of the club plants we will be receiving. We are getting approximately \$4,500 worth of plants.
