Phone 319-868-4227 (please call ahead so I will be sure to be home) I am an early riser so if you want to come early and dig when it is cool that is fine with me.

Bob and Cathy Moore

I am putting 2-3 names on plants that are big enough. If you requested the entire plant it is reserved for you. I have put the names on in the order I received the request. I am also keeping track of plants that were requested but I did not think there was enough. If there is, I will contact you to see if you still want the plant. I will know more as the plants come up. I am going on the size of the plants in the past.
