

CVIDS November 2, 2013 banquet and meeting in Iowa City

Our gathering got underway around 11 am, with viewing/voting on the best flower pictures in many categories! Good job, Sylvia! We also had 10 plants graciously donated by our guest speaker, Jamie Gossard, that we were able to bid on with tickets (later to be drawn). Then, with not enough things to do, we had door prize drawings to put our name in for a drawing.

The business consisted of electing our new officers: Myrna Haas for Vice President and Sherri Baldonado for Treasurer. These will be for 2 year terms.

We enjoyed a delicious buffet meal compliments of CVIDS.

Jamie Gossard (2013 Stout Silver Medal winner) gave a program of his hybridizing and graciously donated plants for a bidding war at the end of his presentation.

Awards were given for the 'voters' choice in the Betty Miller picture display. See our website to view a list of winners and their submitted photos.

It was a wonderful day to be with all our friends and to meet some new members!
