## President Clay Comments

2008 has been a great year for CVIDS. Kudos to Jan Null, and the garden hosts of the tour. The Monticello silent and audible auction went well, and the food was great as always. We're looking forward to interesting and informative programs for our meetings in 2009. They will be more effective if the entire membership is participating. The attendance at the May plant distribution was disappointing. Let's remedy that next year. We will have a short meeting at the banquet in November. Let's all plan to attend. Well....back to buttoning up our gardens for the winter, and anticipating new and better flowers next year.

### Who Are You?

The CVIDS groups name tag collection is missing. President Clay would like to have the names tags available for the banquet. If you are in possession of them after a recent meeting, please give Clay a call at 563-285-6600 and bring them with you to the banquet.

## Aprons and Shirts

The committee has received the initial order of two dozen. Some aprons have been held in reserve for plant sales and special events. Other aprons may be purchased for personal use.

Our members are showing off the shirts and aprons when they are out in public and getting comments like, "Wow, you must be really proud of your club to wear a neat shirt like that!" The company is Precision Embroidery in Davenport. We are able to purchase shirts with logos embroidered. Styles are t shirts by Jerzees and 100% cotton polos. Contact Barb Papenhausen if you want to place an order for a shirt. She appreciates payment in advance. The vendor would prefer we order as a group, as it is our design and he does not want to let anyone else have access to it.

## 2009 Plant Distribution

Hold the date of May 29, 2009 for the club's annual member earned reward plant lottery, followed by the contested bidding of plants not chosen. We have reserved the location of the new Floral Hall building at the Muscatine County Fairgrounds in West Liberty, Iowa. We as members will need to make known some of our desired plants for acquisition to Barb Papenhausen. The club will vote at the banquet on the dollar amount to be spent for purchases for 2009 distribution.

## CVIDS Website

Have you visited the site of [www.cvids.org](http://www.cvids.org) recently? IT has blossomed and is outstanding!!! I had not, and what a pleasant experience when I checked on it this week. Our webmasters are wonderful and they have added a lot of neat features and tons of pictures! There are pictures by 3 different photographers of the July tour, pictures of the Monticello sale and wonderful pictures and links to our members hybridizers. Jonathan has included pictures of his first crop of seedlings. I wonder if we are to vote on the ones we like best?

## KUDOS SILENT AUCTION

Thanks to the committee chaired by Jan Null and Sharon Murken, it was a very successful auction. One comment from a joyful plant winner (Kay Hill) "I really wanted that plant!" Thanks to Jean Hecht for helping out with the displaying of the plants. One plant made a significant amount of money. Treasurer Bob feels that we recouped our 2006 plant investments.

## Did You Know?

Suzanne Moffit was Betty Oster Miller's sister in law. Betty wrote to Robert when he had his stroke and encouraged him to garden for strengthening. Many of their daylilies in their garden got a start because of Betty. Suzanne shared that Grandma Oster had a saying that "Weeds are Gods way for us to keep busy."

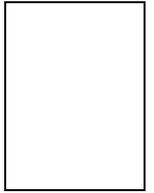

## REGION ONE TOUR

Central Iowa Daylily Society will be hosting the Region One Tour. Plans are underway for the dates of July 17, 18<sup>th</sup>. Volunteers are needed. It may be a great way of learning what we need to do when it is our turn to host.

## Members Earning Plants:

Discussion was held at the September 2008 board meeting that some members earning a plant are not becoming involved in club activities. Only 35 members came to plant distribution in May 2008, 54 persons had earned a plant. After much discussion a proposal to be put before the members is to have the following as plant earning mandatory requirements: A) Paid dues member for 2 years by May 1 each year. B) Attend 2 meetings each year. (with the banquet counting as a meeting). C) Be in attendance at one sale each year, Public spring and fall sales, member club plant auctions (following silent auction, club plant distribution).
