Draped in Grape (Barb 'Rex' McCreight)	Howard,R (2017) 36"x5.5" ML, SE, TET. Dark magenta w/large plum watermark & matching picotee	2	5	5 3-4 way branching. 14-18 buds	5 – Awesome, befitting the name!	5 – Later bloomer. Very nice plant. I would highly recommend it!	\$50.00	
Flash Mob (Mary Moore)	Howard,R (2017) 45" x 7" ML, DOR, TET. Dark violet UF crispate w/medium orchid watermark	3	5 – Strong & fast grower	4 to 5 with very tall scapes	5: 7 inch bloom	This is a very hardy, very strong plant. Multiplies rapidly.	\$50.00	
Fuchsia Frolic (Jackie Westhoff)	Gossard (2017) 38" x 10" EM, DOR, TET. Lavender pink w/maroon purple applique throat of yellow green	1 or 2	4	3 Scape reasonably well branched, doesn't lean or flop	4 – pretty color, 15 or so buds	4 – I liked the plant and the flower.	\$50.00	
Guard Your Heart (Pat Connolly)	Emmerich (2015) 32" x 5.75" ML, SE, TET. Pink cranberry, grape, lavender eye, ivory edge w/red feathers in the throat	4	5	5	4	4 – Great plant habit. A keeper.	\$15.00	
Hawkman (Caroline, Doug Jones)	From 2014 Gossard (2013) 39" x 12" EM, SEV, TET. Unf cascade light yellow w/red eyezone & green throat.	1	3 – slow at first but has been moved several times	4 – very sturdy scapes, buds are well separated	5 – beautiful unusual form that doesn't fade even in unrelenting sunshine	5 – Don't have anything else that looks quite like it. It's a "wow" plant!	\$17.50	
Heavenly Blue Eyes (Scott Feddern)	Gossard (2017) 36" x 5" EM, SEV, DIP. Cream pink w/multi-colored patterned eye zone of blues, violet, purple & maroon	1	4	5 – good branching	5 -gorgeous flower & held it's white color	5 – very happy with it and has a beautiful flower.	** \$50.00	
Heavenly I'm Seeing Blue (Frank Anzell)	Gossard (2017) 34" x 7" EM, E, DIP. Pink maroon w/multi-colored patterned eyezone of blues, violet, purple & maroon. Petals, sepals and edge are patterned	1 or 2	5	4	5	5 – love the markings, has beautiful flower. Happy to have it in my garden.	** \$50.00	
How Beautiful You Are (Jonathan Poulton)	Gossard (2017) 36" x 9" EM, DOR, DIP. Rose pink w/lighter feathered bluish pink eyezone & large green throat.	1	4 – vigorous in 2nd yr, but took 2 yrs to double in size	3 – Sturdy scapes, 2-3 way branching. Not particularly hi bud count but flowers well separated	5 -Flowers stunning, sepals recurved. Very vivid green throat. Slightly scented	4- Suspect it would be good for hybridization if you wanted very green throat. I liked it, stood out in my garden. Didn't come close to number of buds & branches listed at least in year 2 and was more ML than EM	\$50.00
