Cultivar/Club Member	BASIC PLANT INFORMATION (for more details, see CVIDS or AHS website)	DBL. FANS RETURN-ING	HARDINESS	SCAPE-BRANCHING	FLOWER	DISTINCTION / COMMENTS	**Pink denotes less than half the mkt price
	Ratings: 1 poor; 2 fair; 3 average; 4 good and 5 excellent						Minimum bid
Blue Corn Maiden (Diane Derganz)	Selman, 2021. 36" x 6.5" blm. ML, SEV, TET. 22 buds, 4 br. Lilac purple w/ chalky lavender blue watermark and ruffled double edge of lavender blue & creamy white over large yellow to green throat. Very hardy; fertile both ways.	2	5	5: 4-5 branches on very strong, tall scapes	5 – many buds on each branch, spaced well	It's a very beautiful flower but what really blew me away was the branching and bud count. I showed it as an example of how hybridizers are also concentrating on branching when I had our local garden club visit in July.	\$42.50
Carolina Sky (Barb Papenhausen)	Simpson, 2023. 27" x 5.5" blm. M, SEV, TET. 14 buds, 3 br. Exquisite blooms are cream w/ a large lavender-blue eye etched purple with a matching ruffled double edge over a yellow to green throat. Vigorous and fertile both ways.	4	5	4 3-way; 18 buds	4 - 6 inch very nice	Nice eye & edge. The color in full sun matches a purple coneflower perfectly.	\$37.50
Castle in the Sky (Scott Feddern)	Simpson, 2021. 34" x 5.5" blm. M. SEV, TET. 18-24 buds, 4-5 br. Violet w/ a blue-lavender eye etched magenta & a ruffled edge of magenta, blue-lavender & gold over a yellow to green throat.	2	4	4 – 3 way br with 6 blooms per branch	5 - very beautiful and held up better than others in the heat	5 – I'll keep it in the garden, it's a really nice flower, beautiful pink, blue eye zone, green throat and teeth	\$33.75
Changed in a Moment (Sherry Moffit)	Emmerich, 2020. 32" x 6" blm. M, SEV, TET. 20 buds, 5 br. Grape cranberry; icy lavender plus ivory edge; yellow to green throat. Color varies w/temperature. Fertile both ways.	1	5 – strong plant & has doubled in size	5 – sturdy stems & nice size bloom	5 – flower has good color & sunfast even in our very hot July days.	5 – This is a keeper in our garden. Midseason bloomer and has a proliferation this year	\$35.75
Chasing Waterfalls (Peggy Daniels)	Douglas, H., 2023. 36" x 6.25" blm. EM, DOR, DIP. 30 buds, 3 br. UF Cascade. Rose pink cascading unusual form with a thin darker eye surrounding a large yellow to green throat. Fertile both ways	2	4 or 5	4	5	4 – Pretty subtle color. I moved the plant this spring. Not a heavy substance scape. Had a proliferation on one scape this year	\$20.00

2025 Club Plant Evaluations

Crazy Train (Dave Kramer)	Simpson, 2022. 26" x 5.5" blm. EM, DOR, TET. 14 buds, 3 br. Golden apricot blooms have a dark purple patterned eye & matching ruffled edge over a yellow to green throat. Intricate eye varies from slightly patterned to multi-layered with more than 9 layers. Vigorous; fertile both ways.	2	4	4	5	5 -This year daylilies were bigger, colors were more intense and there were more distinct layers in patterned daylilies. Crazy Train really looked good.	\$42.50
Dragon Flare (Lyle Moen)	Selman, 2022. 36" x 6" blm. M, DOR, TET. 18 buds, 4 br. Golden yellow with intense red eye and matching picotee over yellow to green throat. Fertile both ways.	2	3	3 – 3 scapes were produced	4 – has 2 buds left to bloom on 7/31. Nice flower	4 – Nice strong scapes	\$50.00
From Age to Age the Same (Darrin Lett)	Emmerich, 2022. 33" x 6.5" blm. ML, SEV, TET. 11-23 buds, 4 br. Gorgeous bouquet bloomer & good increaser. Lavender pink; merlot plus lavender plus ivory edge; chartreuse throat. Fertile both ways.	1 to 2	4	3	4	3 - large beautiful bloom but this causes the scape to break at the base and hang down.	\$25.00
Girl on the Glow (Rex Raub)	Douglas, H., 2023. 27" x 7.25" blm. EM, DOR, DIP. 18 buds, 3 br. UF cascade, spatulate. Fuschia pink with a light pink watermark surrounding a large bright yellow to green throat. Unusual color that glows in the garden. Fertile both ways.	1	4	3	4	4 – The scapes were very spindly with the branching at the very end of the scape, like a "V". The flower was pretty.	\$20.00
Grumpy Cat (Bob Papenhausen)	Simpson, 2021. 33" x 5" blm. EM, DOR, DIP. 16-22 buds, 4-5 br. Blooms are creamy white with a red-purple veined eye & ruffled edge w/ a red-purple picotee over a gold to green throat. Petals randomly curled; sepals quilted at times. Whimsical, many interesting offspring; fertile both ways.	2	5	5 38" scape, 4-5 way br, 27 buds	5	5 – Gorgeous flower with a distinctive look	\$46.25
Habanero (Lynn Moffit)	Murphy, 2022. 41" x 6" blm. ML, DOR, DIP. 15 buds, 3 br. UF Cascade. Bright hot red w/ light green throat & light green midribs. Curls & twirls, very sunfast. Excellent pod & pollen parent.	2	5 – hardy in our garden and increased well	5 – good branching & bud count. Scapes tall but strong	5- spider, nice red w/yellow center, sunfast	5 – Habanero has stood out w/its height & color. Just now sending out scapes for its 1st bloom (July 23) If you want a late bloomer, this would be a great one.	\$37.50

2025 Club Plant Evaluations

Hopes and Fears (Lyn Hoversten- Hafner)	Emmerich, 2022. 36" x 9" blm. M, DOR, TET. 9-29 buds, 3 br. Big strong plant, often with 10" blooms. Cranberry grape; large chartreuse throat you can see from a distance; small ivory edge.	2	4	4	4 – First bloom on June 28 and bloomed again 8-6-25	4 - I thought it would have increased more if last year hadn't been so dry.	\$25.00
In The Crosshairs (Judy Raub)	Murphy, 2021. 24" x 8" blm. M, DOR, DIP. 25 buds, 5 br. UF Cascade. Bright reddish lavender w/ a grayed edge on petals. Cream midribs on petals, with a green throat. Attention getting very curly & twirling blooms. Pollen fertile.	2	4	4	3	3 – the scapes were tall and several fell over.	\$28.00
Kathleen Grace (Sylvia Bauguess)	Murphy-J.P., 2023. 37" x 7" blm. EM, DOR, TIP, 15 buds, 2 br. Yellow, stark red eye, variable form	1 to 2	4	4 – 4 way branching	5 – large flower	5 – red triangle on yellow – stunning! Still blooming in August on regular scape, not rebloom.	\$45.00
London in the Rain (Nancy Carlisle)	Douglas, H., 2023. 22" x 7" blm. EM, DOR, TET. 18 buds, 3 br. Lilac purple w/a light purple watermark & dark purple sepals. Large yellow to green throat & creamy picotee edge. Fertile both ways.	1	3	4	4 – clear color	4 – took time to multiply during 2 year drought	\$23.75
McKenzie Beach (Lyle Moen)	Douglas, C., 2023. 28" x 7" blm. M, DOR, TET. 18 buds, 3 br. Grape purple w/ a lighter watermark surrounding a triangular yellow to green throat. Fertile both ways.	2	4	4 – branching is moderate	4 – very nice color	4 – it was noticed in the garden. Very nice color and is a healthy plant	\$20.00
Meme's Margarita (Scott Feddern)	Douglas, H. 2023. 30" x 5.25" blm. E, DOR, DIP. 18 buds, 3 br. Cream with a very large yellow to green throat. A ppears as if the cream is the edge since the throat is almost the entire flower. Fertile both ways.	1 to 2	5	5 - very good branching	5- near white with yellow green throat	5 – It's a must have for the garden, just outstanding and held up great in the sun	\$22.50
Muddy Creek Malarkey (Heather Harroun)	Tanner, G., 2021. 30" x 5" blm. EM, SEV, TET. 25 buds, 5 br. Creamy yellow with sculpting, green throat and piecrust ruffled edge.	4	5	4 36" scape 3-4 way br; 18 – 22 buds	4 5.5" blm	3 – A very nice flower with sculpting and ruffles, just not a stand out.	\$15.00

2025 Club Plant Evaluations

Mystery of the Kingdom (Jackie Westhoff)	Emmerich, 2021. 28" x 5.5" blm. ML, SEV, TET. 20 buds, 4 br. Lavender pink; dark lavender eye etched in violet; violet plus lavender plus silver ivory edge; green throat. Color varies with temperature. Fertile both ways.	1 to 2	4 – has established itself nicely	4 – sturdy scapes, no breakage or leaning in thunderstorms	5 – beautiful “Emmerich” flower, holds well in heat & humidity	4 – I like the flower & plant, beautiful shades of lavender, ivory & lt. Purple. Very pretty in the garden.	\$26.25
Opal Watermelon (Sally Riewerts)	Douglas, H., 2022. 27" x 6" blm. E, DOR, DIP. 22 buds, 4 br. Ruffled watermelon pink w/ large yellow to green throat, cream midribs & full rounded sepals. Fertile both ways.	1	4	3	3 to 4	4 – It's a border plant as it's not very tall.	\$21.25
Pearl City Pretty (Cari Rusnak)	Grossman, 2023. 38" x 6.5" blm. M, SEV, TET. 20 buds, 4 br. Peach petals are highlighted by dark lavender eye & edge w/light ruffles. Has very straight scapes. Fertile both ways.	1	5	4	4	3 – Pretty but less vibrant than others	\$20.00
Preaching to the Choir (Dick Palmer)	Selman, 2019. 36" x 5.5" blm. M, DOR, TET. 20 buds, 4 br. Ruffled cream yellow w/ large raspberry rose eye, matching partial picotee & lighter edged sepals over patterned yellow to gree throat.	1	2	4	4	It's flower is okay. I think it's possible it got set back when it accidentally got sprayed by a lawn service company	\$42.50
Prissy Lorraine (Tom Jones)	Douglas, H., 2022. 26" x 7" blm. M, DOR, TET. 18 buds, 3 br. Rosy pink w/lighter pink watermark that fades into extra large yellow to green throat; surrounded by a darker pink pencil eye; slightly ruffled edge.
