August 12, 1997

REMINDER: CVIDS ANNUAL FALL PLANT SALE & POTLUCK

Don't forget that our annual plant sale and potluck will be held Saturday, Aug. 23, from 11 AM to 3 PM at Riverside Gardens in Monticello. This is our only fund-raising event. We hope all members will be able to contribute plants, help with digging and labeling, and/or help out at the sale itself. Please label all plants with name, color, and price, at a minimum. Choice items might also include hybridizer, year of introduction, and list price. **Please bring your labeled iris, daylilies, and companion plants to the park at 9 AM so we can have everything nicely laid out on the tables by 11 AM.** Club plants from the silent auction will be distributed to the winning bidders before the public sale starts at 11. There will also be a few club plants available which were not bid on in the auction; these will be priced at the "minimum suggested bid" in the auction, which is approximately half of the average price listed in the current edition of Eureka. We will have our potluck after the initial rush (we hope!) of public sales subsidies; in previous years this has happened about 1:30.

All plant contributions are welcome. However, we always sell out of all tall bearded irises and most daylilies in colors other than yellow, so TBs and pink, purple, red, and white daylilies are especially welcome.

Please price your plants; the members working at the sale may not be familiar with the varieties and may not know what they are worth. Iris and daylilies will be sold as bare-root plants and should be clearly marked with name and color. Older named varieties will be priced at \$3-\$5; "unknown yellow daylily" or "red seedling", etc., for \$2-\$3. Newer varieties should be marked with hybridizer and year of introduction, if known, and priced appropriately. Companion plants should be potted, if possible, and labeled.

If possible, try to bring some pictures of the daylilies or other plants you are contributing. People always ask us, "What does this one look like?" It's really helpful to have some pictures so we can *show* them, not *just* tell them. Posters with colored pictures of daylilies and iris would be especially helpful. Just having the color pictures there at a time when most people's gardens are in the late-summer doldrums can generate interest and increased sales.

We hope all our members will be able to help with the sale in some way. If you have plants to contribute but can't bring them to the sale yourself, please contact the Stolls (319-946-3471) to arrange for someone to pick them up. The Stolls and others would also appreciate volunteers to help with digging and labeling of plants anytime the week before the sale (especially on Thursday and Friday, Aug. 21-22). They have a great many plants they would be happy to contribute to the sale; however, the plants need to be dug, divided, and labeled in the days just before the sale so they will be nice and fresh for Saturday, and Lynn and Barry can only do part of this project themselves in a few days.

Don't forget: we need lots of publicity to make the sale a success! In addition to our ads in local area newspapers and shoppers, etc., word-of-mouth advertising is very important. Do your part: tell your friends and neighbors. Let's make this our most successful sale ever!

SCHEDULE OF UPCOMING EVENTS

Aug. 23: CVIDS Annual Plant Sale: Riverside Gardens, Monticello, IA. Be sure to set aside some plants to contribute to our only public fund-raising activity, and plan to join us for a pleasant potluck picnic in the gazebo in this beautiful setting!

➤ **September: CVIDS Fall Meeting.** Bring your calendars to the sale at Monticello so we can pick a date for a September meeting. We'll plan to show slides of the best in our gardens for 1997, share our successes, and commiserate about our disasters!

➤ **November 8: CVIDS Fall Banquet.** Our guest speaker will be Steve Moldovan. The banquet will be held at Isaac's Hall, adjacent to Wetherby's Restaurant at the Clarion in Coralville (site of our May Iris Tour).

WELCOME NEW MEMBERS

CVIDS is pleased to welcome our newest members. We encourage all our members to get in touch with these new members, invite them to your gardens, and share your gardening activities with them.
