Nancy Carlise shares her photo: "4 open blooms, 2 partial, 2 more to come. One catalog describes it as featuring many of the same, exact colors that you might see in a candy dish full of jelly beans. Colors that are sharp, crisp, clean, and clear. Jelly Bean Parade is by Douglas Kanarowski, earned the awards of Honorable Mention and the Award of Merit"

A Big Welcome to Jackie Callahan as new member AND newly elected CVIDS Vice President

Dear CVIDS Members,

Thank you for all members attending and assisting with the planning and implementation of the very Social 2025 Annual CVIDS Fall Banquet. Planning begins immediately following the previous banquet with contemplation of the next guest speaker and presenter. If you have ideas, please share with Nancy Rash. Thank you to our speaker Kirsten Hatfield of Dorsets and Daylilies for sharing her beautiful hybridization program and fun photos from her farm in Ohio.
