

## Regional Name Ballot information.

Dear members,

At last month's CVIDS board meeting, Nancy Rash and Peggy Rash-Daniels were tasked to narrow down themes for the 2027 Regional. The board set the February meeting as the time for a membership vote on their proposed choices. Because it's not easy to vote during the meeting with our zoom setup, it was decided to have members email their votes to me prior to the meeting. This way all our members, whether present at the meeting or at home by zoom, help make the decision.

I'd like to emphasize that all members are encouraged to attend our meetings in person. The zoom option is a good for those who are totally unable to attend but problems can arise which makes it difficult to hear, make comments or just generally enjoy the process. This is especially true with our upcoming meeting as our main program is a discussion between members. Please try to come and enjoy the day with your friends.

### **The following are the names suggested:**

Your input on the theme for the 2027 Region 1 Summer Meeting is requested. Please vote for one of the following themes by replying to this email. Reply with your choice of #1, #2, #3 and your name. Please reply to Diane Derganz, [lemflutist@hotmail.com](mailto:lemflutist@hotmail.com), before 8 AM, Saturday February 14, 2026.

1. Deep Roots To Daylily Blooms  
Iowa Where It All Began

(Interesting fact – The American Hemeorcallis Society (AHS) began in 1946 with the formation of the Midwest Hemeorcallis Society in Shenandoah, Iowa. That MHS organization ultimately evolved into the present national AHS.)

2. Daylily Delights in the Hawkeye State.  
2027 Region 1 Summer Meeting

3. Iowa, Fields of Daylilies  
2027 Region 1 Summer Meeting

Thank you,  
Diane
