

# Joe Pye Weed Flowers

The Siberian Iris of Marty Schafer and Jan Sacks

**ALL GOTHED UP - Shaffer Sacks 2020**

M, 31". Edgy is beautiful. The falls are very dark red with dark veins. They would be hopelessly broody if not for the bright yellow signals, peach-rose standards, and the aqua blue style arms! The clump presents dramatically with space for each flower in a mountain peak of bloom. Vigorous with two branches and six buds. HM'23 .....\$15.00

**BOISTEROUS BLEND – Shaffer Sacks 2022**

M, 31". A blend of rich purples is set off by big gold signals and fancy style arms. The pearly styles are wide with prominent curled tips, edged in shades of purple. Five to six flowers per stalk are held without crowding in an upright clump. Foliage arches gracefully well below the flowers ..... \$25.00

**FESTIVE COQUETTE – Shaffer Sacks 2018**

M, 28". This coquette wears a very swirly and frilly dress. The falls are wide, round, overlapping, and flaring. Their color is perhaps best described as a deep antique pink, resulting from the yellow underlay. At the edge of the falls the pink fades away leaving light apricot rims which enhance the ample ruffling. Light standards are a bit more lavender with deep veins, and the decorative styles are upright, curled, and ruffled with apricot tips to match the fall rim. Modest signals are warm yellow. Gorgeous clump, vigorous, five buds per stalk.

**FOLLOW THE HONEY – Shaffer Sacks 2019**

M, 34" Where do the signals end and the falls begin? The fall is pastel yellow with dark to light purple veining especially on the edge. Standards are shades of pale violet. Styles are fancy with red-violet edges, turquoise midribs, and cream centers on the ornate crests. Large flowers, four inches plus. Five to six buds with up to two branches. Clump is strong and erect and very flowery ..... \$15.00

## IT'S A DATE - Shaffer Sacks 2019

M, 30". Saved as a breeder, over the years it performed so well we had to introduce it. Visually it is a yellow amoena. On close examination the falls have a pale pink wash. White standards and styles have a trace of yellow in their hearts. Large four inch flowers have lovely form and ruffling. Five buds per stalk. The clump is stunning in bloom ..... \$15.00

## LIKE LAVENDER - Shaffer Sacks 2017

LM-L, 20". The many colors of lavender may all be in this flower. The short plant has medium sized flowers – full, flaring and ruffled. Short hafts give a rose-like appearance to each flower. Styles have redder edges and are bluer within. Standards and falls vary in color with the weather from lavender blue to lavender pink. Soft yellow signals. Heavy bloom with 4 buds (2 branches). Successive stalks..... \$12.00

## **PURRING TIGER – Shaffer Sacks 2017**

M, 24". A flower of contrasts – soft purple edges with bold purple stripes on giant yellow signals. Mid-purple standards and violet shading on the styles unify the flower. Color holds well. Upright plant, five buds on one or two branches. A dramatic clump presentation. HM'21 .....\$10.00

## SHOOT THE BREEZE – Shaffer Sacks 2020

M,27". This soft blue flower draws you in. It has large standards and falls, with gently rolling ruffles. Refreshing yellow signals are large and slightly marked with dots and veins. There is a hint of yellow on the fall edges. Styles are simple with turquoise midribs. Strong stalks have five flowers each and the vigorous clump produces many stalks..... \$15.00

**SO VAN GOGH - Shaffer Sacks 2005**

E, 30". The first bi-color siberian. Standards are blue-purple with darker veining. Falls are yellow with purple veining. Styles are blue-purple with darker highlights. Small flowers with big clump show - five buds. Super vigorous. Morgan-Wood Medal '12..... \$10.00

## TOO CUTE – Shaffer Sacks 2016

ML, 13". Yes, it is! This is the most petite siberian we have grown that makes a typical siberian clump. Flowers are in shades of medium to light blue with sweet white signals. Simple flaring form with a few ruffles. Delicate foliage matches the scale of the plant. Not a shy grower, with ample increase. Three buds with one branch. HM'19 .....\$12.00
