March Meeting Notes---

Thirty three members were present to view the presentation on Iris given by Kim and Jerry Schoeberl at the Eldridge Library. They showed the club a DVD with an assortment of the 900 iris they grow. Then they talked about the care and answered questions.

Kay Hill opened the meeting by reading a thank you note from Jerry Pate Williams (AHS) for the \$100 sent to the endowment fund. The treasurer reported a balance of \$6339.78. Bob Papenhausen passed out information on "Over-the-Top", a grass and weed killer.

Sherry Moffit sent information on the Muscatine Button Factory and Riverside Casino for our Fall Banquet. It was discussed and members voted to go to Muscatine. (11-3-2007)

Barb Papenhausen made a motion to give a \$100 donation to the Eldridge Library for the use of the room and equipment. Shirley Waters seconded it. Carol Appelquist made a motion to give Bob Moore \$50 for printer ink for the plant photos. Both were approved.

There was some discussion on a display garden. Zora Ronan said she would check with Kirkwood College for a possibility. Gerald Hobbs told of the Cleveland Symposium: a new chemical "Messemger", Kirchhoff/Morss and Salter moving, Ohio hybridizing for dormants, and Woodhall speaking about Moldovan.

Clay Dawson and Barb Papenhausen motioned for adjournment.

Vander Veer Sale: Saturday, May 5

Members are to bring plants that are washed and labeled (only daylilies and iris). Bring photos if possible. You are responsible for your own chair and lunch. We may be outside and we may be working in shifts.
