### **Mislabeled Plant Alert**

Last year (May 2003) at the club plant distribution at Jean's house, Cathy Moore purchased Siloam Vaughn's Classic. It had its first blooms this summer and is not the correct plant. It bloomed a peachy pink with a ruffled edge and small yellow throat and green heart. It measures 24/26" x 5-5 1/2". It is not the yellow self that is Siloam Vaughn's Classic.

Did someone accidentally receive a yellow self as a club or purchased plant they were not expecting? If so, please contact Bob & Cathy Moore ([rdcsmoore@louisacomm.net](mailto:rdcsmoore@louisacomm.net) or PO Box 25, Morning Sun, IA or 319-868-4227) for possible further arrangements. They would at least like to know what is growing in their garden.

### **Annual CVIDS Fall Plant Sale and Potluck in Monticello**

Our fall sale will be held on Saturday, August 28<sup>th</sup> from 10a.m. to 1 p.m. at the gazebo in Riverside Park in Monticello, Iowa. Set-up starts at 9 a.m. with the potluck and dispersal of silent auction plants immediately following the sale. Any silent auction club plants that were not bid on will be auctioned off live at that time. The potluck usually starts at 1, or as soon as the rush of public sales subsides. So please bring something good to eat! ☺

Please label all donated plants with the name, color and price. Iris and daylilies will be sold bare-root. Please wash the roots well and trim back the foliage. Named cultivars are usually priced at \$5 and up; unknown varieties and seedlings for less. Companion plants should be potted, if possible, labeled and priced.

If you need labels, the club has some of them for club use. Give Gerald a call about acquiring some at (319)372-4178. If possible, pictures of the plants you are donating are very helpful. Bringing blooms along is also very helpful for sales and enjoyable for other members.

We hope all members will be able to contribute plants, help each other with digging and labeling, and/or help out at the sale itself. We want to have a good variety of clean, fresh, healthy plants for sale! Don't forget to tell your friends and neighbors about this sale. Let's make this our most successful fall sale ever!

**Directions to Riverside Park:** The park is located on Highway 151 in Monticello, across from the Blue Chip Motel and Restaurant. You can park in the lot in the park or along the roadside in it.

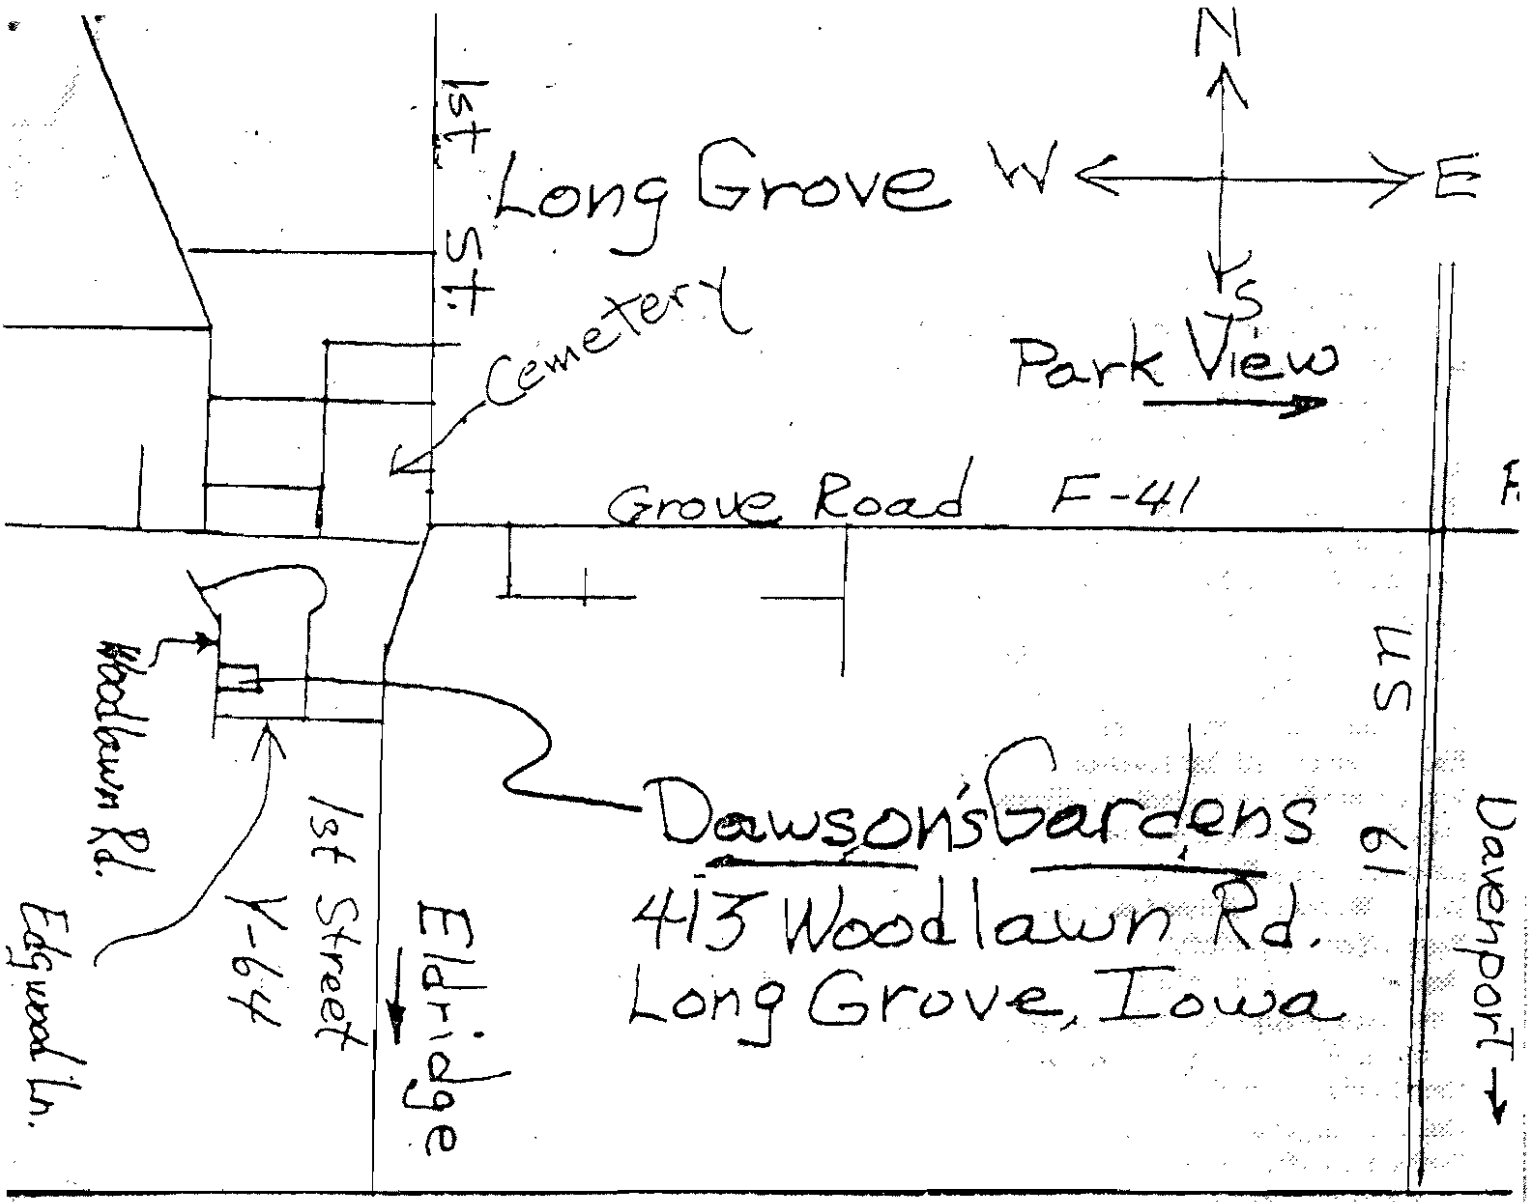

### **CLUB PLANT SILENT AUCTION**

A list of club plants that are up for the silent auction is attached.

Make bids in uneven dollar amounts. Don't send payment with your bid. Winners will be notified of the cultivars they won before the Riverside sale. In case of ties, the earliest postmark wins.

Deadline for bidding is August 5<sup>th</sup>. E-mail bids to [sherry-moffit@uiowa.edu](mailto:sherry-moffit@uiowa.edu) or [beverly-seamans@uiowa.edu](mailto:beverly-seamans@uiowa.edu), or mail them to Sherry Moffit, PO Box 273, North English, IA 52316.

Plants are to be delivered to the sale at Riverside on August 28<sup>th</sup>. It is your responsibility to get the plant to the sale or make arrangements to get it there.
